PLASTIC AND LASER

ITW Trans Tech offers a wide range of economical **Plastic and Laser Printing Plates** to fit the full spectrum of pad printing applications. Each plate material type has valuable feature and benefits that make it suitable for specific requirements and operation budget. Here is our complete line-up:

Plate Type	Cycles*	Color	Etch Depth	Features
<b>Red Polymer</b>	100,000	Red	Variable	Best print quality; alcohol wash; longest lasting.
<b>NBAW</b>	20,000	Green	Variable	Hard; no baking required; alcohol washout.
<b>BGP</b>	10,000	Olive	Variable	Economical; alcohol washout.
<b>Express-3</b>	10,000	Green	Fixed	No screen exposure required; alcohol washout; preferred for fine lines & four-color process.
<b>H2Orange</b>	10,000	Orange	Variable	Economical; water washout.
<b>StarLight Laser</b>	10,000	Green	Variable	Works with other CO2 lasers; magnetic hold-down backing.
<b>Mist</b>	50,000	Green	Variable	Economical; Long Lasting; Enviromentaly Friendly.

\* Cycles are approximate. Depending on specific project, number of cycles may increase or decrease.

**ALSO AVAILABLE:**

- Standard & Special Plate Sizes
- Matching Punch Hole Configurations for non-Trans Tech Equipment
- Washout Liquid 5 Gal. Pail - #3100020

**STANDARD SCREENS:** (others available depending on application)

- Screen Film 300 Line 86% Tint 200X 250 mm #310016
- Screen Film 300 Line 86% Tint 200X 500 mm #310017

**CALIBRATION KITS:**

- Express 3 calibration kit #1410497
- Mist cliché calibration kit #1410490
- Red Polymer cliché calibration kit #1410491
- H2Orange cliché calibration kit #1410494
- Basic grey polymer cliché kit #1410498

**ASK US ABOUT OUR:**

- StarLight LPM computer-to-plate devices for etching high-quality laser plates at your facility.
- PlateWasher for safe & repeatable do-it-yourself processing of alcohol and water-washout plates.
- Full range of lab-tested supplies for industrial decorating operations, including: solvents, wipes, mixing sticks, & containers; plus Cliche Spray, Long Life Oil, Pad Cleaner, Inx-Off! hand cleaner & many others.
