

4 FIRST AID MEASURES

Skin

Wash with soap and water.

Eye

Flush with water for at least 15 minutes, consult a physician.

Inhalation

Move to fresh air, provide aid in breathing if necessary.

Ingestion

Do not induce vomiting. Do not drink water, milk or oil. Consult physician or poison control center immediately. Treat symptomatically.

5 FIRE FIGHTING MEASURES

Extinguishing Media

Foam, carbon dioxide, dry chemical power

Basic Fire Fighting Procedures

Water may be ineffective. Water should be used to cool containers exposed to fire. Fire fighting personnel should wear self-contained breathing apparatus.

Unusual Fire & Explosion Hazards

Keep containers tightly closed, isolate from heat, sparks, electrical equipment and open flame. Closed containers may explode when exposed to extreme heat. During emergency conditions over exposure to decomposition products may cause a health hazard. Symptoms may not be immediately apparent. Obtain medical attention.

Flash Point 30 C

Flammability Limits in Air, Lower, % by Volume 0.8

6 ACCIDENTAL RELEASE MEASURES

Spill or Leak Procedure

Remove all sources of ignition, avoid breathing vapors, ventilate area, remove with liquid binding material.

7 HANDLING & STORAGE

Storage

Store containers out of sun and away from heat, sparks and open flames. Close containers after each use. Consult NFPA code for additional storage requirements.

Ventilation

Adequate ventilation is required. See your safety equipment supplier for evaluation and recommendation. Provide sufficient ventilation to keep vapor concentration below the given TLV and LEL.

8 EXPOSURE CONTROLS / PERSONAL PROTECTION

Eye Protection: Personal Protection Equipments (PPE)

Use safety eyewear designed to protect against splash of liquids.

Skin Protection: Personal Protection Equipments (PPE)

Protective gloves recommended.

General

Eye bath and shower should be available. Use chemical resistant clothing. Liquid may penetrate shoes and leather causing delayed irritation. Hygienic practices: wash hands before eating, smoking or using washroom.
